Sudden Death of Popular Teacher

Miss L. Crawford dies

We regret to announce the death of Miss Leoline Crawford, of Landline, who died in Oyen on Saturday morning of last week.

The deceased had been feeling indisposed for a few days past and on Thursday morning came to Oyen to be near a doctor. On Friday she became worse and in the evening, the doctor pronounced her case to be one of Diphtheria, of which was the cause of her death.

Miss Crawford was engaged as the teacher at the Glenavon school, and was of a genial and kindly disposition. Her sudden death, under such circumstances, comes as a shock to her parents, who reside at Moncton, N. B., and her many friends around this district.

The interment took place at the Oyen cemetery on Saturday last. The Rev. Webster conducted the funeral services.

We extend to the sorrowing friends, our sincere sympathy in the hour of trouble.

Sunday School Picnic At Glendon

The people of the Glendon district held their annual Sunday School Picnic at Glendon on Saturday, July 22nd. A large crowd gathered in spite of the threatening weather.

A concert was given by the school children in the afternoon which was a credit to the children and their teacher. Great credit is due to Mrs. Pack and Miss Hartwell for the interest they took in training the children.

Supper was served in the schoolhouse, after which the games and races were held. A collection was taken up for the Red Cross Fund. \$12.50 was the amount collected.

Fine rain! Better crops.

The Red Cross Sewing Meeting will be held on Tuesday evening, August 1st, at the home of Mrs. W. H. Peterson. Everybody come.

The Rev. G. A. Steele Enlists as Private

The Rev. G. H. Steele, our retired pastor, has enlisted as a private with the University of Toronto Overseas Company. Every man who joins this company (which is a district unit, unattached to any particular battalion) has the privilege of taking the officer's training course. The good wishes of his many friends in Oyen and district go out to him.

Red Cross Concert

Thursday, August 3rd.

A grand concert will be given in the Methodist church on the above date by artists from the Acadia Valley and district. The total proceeds will be given to the Red Cross Fund.

The artists taking part in this entertainment are all well known locally and a real good programme is assured.

Menace of the Fly

Swat the fly. But Beware of the Dead One

The tendency at this time of the year of the health authorities in various parts of the middle west to offer a premium of 10 cents a hundred to collect flies in connection with their campaign of disinfection is a very interesting one for discussion an important question of sanitation and hygiene.

If a fly, alive, is a possible bearer of death and disease germs which it carries in its body, how can it be swatted the fly and then carefully preserve the decomposed body of the insect for the sake of a few cents?

Apparently, through seal in these parts of extermination, those in the fly, of course, but turn him, to a most dangerous feature of the movement. Miller's Worm Powders prove their value. They do not cause any violent disturbances in the stomach, any pain or cramping, but do their work quickly and painlessly, so that the destruction of the worms is almost painless. Yet they are thorough, and from the first dose there is improvement in the condition of the sufferer, and in the cessation of manifestations of internal trouble.

August 4th. The Second Anniversary of Declaration of War

Edmonton, Alberta
July 18th, 1916

The Editor of the News,
Oyen, Alberta

Dear Sir:

I beg to advise you that I am in receipt of a communication from the Central Committee for National Patriotic Organizations, of London, England, in which it is proposed that meetings be held throughout the Empire on the 4th of August in commemoration of the Second Anniversary of the war with Germany, and it is urged that the following Resolution be adopted at all meetings, this Resolution having been approved by the Prime Minister of Britain and the Colonial Secretary.

"Resolved, That on this the second anniversary of the Declaration of a righteous war, this meeting of the citizens of Oyen and District records their inflexible determination to continue to a victorious end the struggle in maintenance of those ideals of Liberty and Justice which are the common and sacred cause of the Allies."

My Government heartily endorses this project, and we trust that meetings may be held wherever possible throughout the Province of Alberta and the foregoing Resolution enthusiastically carried.

May I ask that you will be good enough to advise me whether or not such a meeting will be held in your community.

Yours faithfully,
R. G. Brett,
Lieutenant Governor.

Waive Rank to Fight Under Both

The true story of how Botha came to take the field against the Germans in Southwest Africa is told by an authority who has had the great Boer's unqualified permission to do so. And it is a story that will thrill the heart of the historian when he sits down to review it.

When our honorable foe, and now eternally pledged friend announced in Parliament that he intended to take the field the scenes of enthusiasm were remarkable. Botha, without waiting a day, sent for thirty-five officers who had served under him in the Boer war, and like himself, on the Boer side. He told them he wanted fifteen of them and they must decide among themselves which should go and which remain.

Five minutes' talk sufficed after the general had left them.

Way Plains Women's Institute

A very enjoyable afternoon was spent on Wednesday, July 10th. The ladies of the Sibbald Women's Institute in response to an invitation given by the ladies of Way Plains, met with them at the home of Mrs. Edward Bray. The meeting opened with the singing, "The Maple Leaf Forever." A short routine of business followed. The ladies from the Sibbald branch provided the interesting program.

Ten was served in the grove. The singing of the National Anthem concluded the afternoon's pleasures. Twenty people (not including the ladies) enjoyed the hospitality of the women of Way Plains.

We are looking forward to the next meeting that will be held at the home of Mrs. John Othen on Aug. 10th. All ladies in the vicinity are cordially invited to come at 2:30 p. m.

The Oyen Agricultural Society

Minutes of Directors Meeting

At this call of the President the Directors of the Oyen Agricultural Society met at Oyen on Wednesday last at 1:30 p.m. Present—R. McCallum, Vice-Pres. McQuarrie, Directors Ada, McQuarrie, Thomson, McBrien, Snell, Kerr, Peterson and Lindquist.

Minutes of last meeting read and passed on motion of McQuarrie and Ada.

Correspondence read and filed. Kerr-Snell. That the following ladies be asked to act as judges of ladies fancy work etc. at Fair, Mrs. W. D. Bentley, Mrs. B. F. Van Horne, and for cooking, fruits etc. Mrs. R. McCallum, Mrs. Waldschmidt, and that Secretary write to above ladies requesting that they act.

Ada-Snell. That Mr. Hopkins of Fairbanks be asked to judge roots and vegetables, and Mr. Henley of Oyen to judge the poultry.

Lindquist-Snell. That this Society erect a 16x50 building adjoining Grand Stand, height 10ft. and 7ft.

Ada-Kerr. That Lindquist, Dial and McQuarrie be a committee to deal with said building and also pens and fencing, etc. for fair.

Peterson-McQuarrie. That Thomson, Kerr and Sec-Treas. be a committee to interview Red Cross Society re selling badges on Fair Day.

Peterson-McQuarrie. That all judges, directors and their wives be given meals free on Fair Day.

Kerr-Lindquist. That Mr. Peter Campbell be asked to act as Dairy Judge.

Meeting adjourned—all Directors being requested to be present at Fair grounds on Aug. 7th

and then when he came back, the spokesman announced, like a jury foreman: "Take the fifteen you want; the remaining twenty intend to go anyway as privates." What can you do but win with men like that! And as privates many of them went.

Notices have been posted up locally, and mailed to outlying post offices by the Municipality of Cereval, to the effect that a quantity of Diptheria anti-toxin is on hand at the drug store and anyone who wishes to be inoculated should apply to the doctor.

Bear in mind that the Oil Pull is the only tractor that will successfully burn kerosene and cheaper oil fuels at all loads, under all conditions—all the time.

The Oil Pull, through deep plowing and thorough soil working, is increasing crops for a great many Disc owners—in some cases doubling them. Burning kerosene, the Oil Pull adds this increase to your bank account at the lower possible cost.

A more dependable tractor than the Oil Pull can't be bought and you will find it able to take care of all your power jobs, whether draw-bar or belt. Two sizes, 15-30 and 30-60 horsepower.

WELL DRILLING! A TESTIMONIAL

Oyen, Alberta,
May 31st, 1916

To Whom It May Concern.

I, J. F. Honsick, of the Post Office of Beaton, Alta. Canada, do hereby state that I have for five years been hauling water for stock and other purposes from three to four miles. I tried every means for the above number of years to get water, and was unsuccessful until I looked up John Ozyer, of the Post Office of Oyen, Alta. Well Driller, with the reputation of getting water where others fail. Since well completed by the said J. Ozyer I have been enjoying three weeks and have not been able to lower the water in the well.—J. F. Honsick.

Even the wheels on a Ford car cost you 60 per cent less than on the average car priced around \$1000 and under

FIGURE IT OUT FOR YOURSELF

\$12.87—cost of new wheel on average car priced around \$1000 or less.
\$ 5.00—cost of new wheel on a Ford car.

\$ 7.87—the 60 per cent saving secured. And this merely indicates the general saving in every item of upkeep in which the Ford possesses a big advantage over any other make of car.

An assembly of Ford spare parts—enough to build the touring car complete—costs only \$40 more than the standard list price of the car, while on the average car priced around \$1000 and less a complete set of spare parts costs \$941 more than the car—over twenty times the Ford excess cost.

And yet tests conducted by one of the most authoritative Government laboratories in the world have shown that the quality of Ford constructive material is actually superior to that in most of the best cars made.

With regard to the noxious weeds in Township 23 range 2 and 3.

At the suggestion of Weed Inspector Barber the Dept. was asked to send a Provincial Weed Inspector to attend to them.

An appropriation of \$50 was made at the disposal of Mr. Barber to clean up the weeds on vacant lands in the Municipality.

An additional \$50 was appropriated for cash outlay in connection with road work in Divisions 2, 3, 4, 5, 6 and \$100 additional in Div. 1.

The time limit for working out taxes was extended to date Sept. meeting.

A By-law was introduced to amend the Herd By-law to prohibit the running at large of stock throughout the whole of each year.

A surplus gopher poison is to be in the hands of the Sec-Treas by date of next meeting of the Council Aug. 2nd.

In the meantime Councillors are authorized to dispose of same at 45 per package.

The Secretary was instructed to proceed to collect arrears of taxes standing against leased lands after 20 days notice has been served.

And also to write to the Department of Interior at Ottawa pointing out that it would be to the best interests of the Municipality as a whole if the Dept. discontinued the leasing of government lands except school lands in this Municipality.

The Standard road in the Municipality has been changed to have 10 ft. unplowed in the centre of the road in place of 6 feet heretofore.

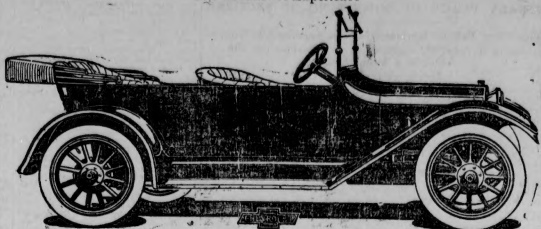

Council then adjourned to meet the first Wednesday in August.

Dr. Luckner, Dentist, will be in Oyen the first 14 days of each month, Cereal 15th, to 19th inclusive.
